PREPARED FOR MITCHELL

The Defender 110 P525

A Chelsea Truck Company commission, curated by Humble House

CARBON · BRONZE · ALL-TERRAIN

THE FOUNDATION

Defender 110 P525 V8

A 5.0-litre supercharged V8 in the most capable Defender body, the ideal canvas for a Chelsea Truck Company build: powerful, composed and ready to be made entirely your own.

YOUR TWO FINISHES

Carpathian Grey

Deep satin grey, understated

Santorini Black

Rich gloss black, bold

The Mood

Stealth, texture and warmth

Carpathian Grey

Santorini Black

Exposed Carbon

Bronze

THE SILHOUETTE

Large Rear Roof Wing

A sculpted wing that extends the roofline and gives the Defender a sharper, more purposeful profile from every angle.

Shown in satin black, and also available in matte exposed carbon to carry the carbon theme.

CARBON ACCENTS

Carbon Fibre Side Vents

Sculpted side vents in gloss carbon fibre, their weave catching the light along the flanks and tying in with the carbon roof wing.

A subtle detail that carries the carbon theme from the roofline down the length of the body.

CARBON ACCENTS

Side-Mounted Exposed Carbon Storage Box

A lockable storage box in exposed carbon, mounted to the side of the Defender to keep essentials secure and close at hand.

Practical by design, beautiful in finish, and made for the 2020-onwards Defender.

THE FINISHING TOUCH

Expedition Hard Spare Wheel Cover

A sculpted hard cover in satin black, embossed with the Chelsea Truck Company name, giving the rear of the Defender a clean, finished signature.

Made for the 2020-onwards Defender.

THE FINISHING TOUCH

Side Vents and CTC Badges

Matte black side vents, each set with a Chelsea Truck Company badge, marking your Defender as a true coachbuilt commission.

Made for the 2020-onwards Defender.

THE FACE

Landmark Body Kit

A bolder front end with a sculpted lower lip and refined trim pieces that give the Defender a confident, purpose-built presence.

Finished to complement your paint, carbon and bronze.

THE FACE

Grille Mask

A sculpted grille mask that redefines the front of the Defender with crisp, layered lines and a more distinguished expression.

Made for the 2020-onwards Defender, and paired beautifully with the Landmark Body Kit.

Three Signature Wheels

22-inch, forged

RS 3.0

An intricate, multi-spoke mesh design: technical and modern.

RS DC

Bold split spokes radiating from the centre: elegant and commanding.

Mondial Retro

A classic five-spoke with motorsport character, RS-Forged.

Finished in bronze, made for the trail.

Whichever design you choose, we will have your wheels powder coated in a rich bronze finish and paired with all-terrain tyres, so the look is as capable as it is beautiful.
